

Finance & Audit Committee

Requirements: Members of the Finance and Audit Committee should have outside experience dealing with auditors and/or investment counselors. They should also have experience with developing and reporting against annual budgets. Committee members must be voting members of IAUG in good standing.

Time Commitment: 1-2 hours per month

Responsibilities:

- Recommend organizational financial policies and procedures that are consistent with IAUG's mission.
- Monitor and report upon the implementation of those policies and procedures.
- Ensure that timely, accurate, and meaningful financial information is disseminated to the appropriate volunteers.
- Provide input on the association's investment strategy and monitor the performance of IAUG's investment advisor.
- Review the findings of the annual third-party audit, provide input on any open items, and monitor follow-through.
